

The Anniversary of the Somme

Dear Lord,

Thank you for our school fair and the nice weather.

Thank you for our world you created, our family and friends.

Thank you for all of the green plants which give us oxygen so we can breathe.

Thank you for all the animals and farms. Thank you for the rainforests and the wild life.

Thank you for all the sport which is played like the Euros and Wimbledon.

Thank you for giving us everything we need.

July 1<sup>st</sup> was the anniversary of the Battle of the Somme, thank you for all those who survived.

Please help all the families and relations of those who died who may be feeling sad.

We pray that you will give courage to all those in the armed forces defending our country now.

In Jesus name

Amen
