

## Bonfire Night

Dear Lord,

Thank you for your world, for the lovely colours in our autumn season. Thank you for the joy of scrunching through the fallen leaves.

Many of us will be watching and celebrating on November 5<sup>th</sup> with fireworks and bonfires. Please keep us all safe.

We pray for the animals, pets and wild ones who will be frightened by the noise and flashes of the fireworks. Keep them from harm and help them to stay calm.

In Jesus name,

Amen.
