

## The World and Half term

Dear God,

Thank you for our beautiful world.

Thank you for the flowers, sunshine and rain.

Help us to be thankful for all that the weather brings us, for the water and food which grows around us.

Thank you for all the animals and insects which live around us.

Help us to look after your creations.

Please keep us safe over half term and let us all return to school and our friends. Help us to get ready for moving on to our new classes or new school.

In Jesus name

Amen

Calum Y6 and Reese Y6
