

Dear God

Thank you for the world and all who live in it.

Thank you for courage and help us to face our fears.

Thank you for our families and our friends who are courageous everyday.

Thank you for the environment and people who courageously fight for its protection.

Please help the babies in Brazil who are suffering and enable their families to show courage at this time.

Thank you for Terry Wogan for his kindness in helping all children around the world.

Please help his family to show courage in this time of sorrow.

Amen
