

Hurricane Matthew

Dear Lord

We pray for those effected by hurricane Matthew. We pray that everyone is safe especially our friend Ella and other friends or relatives who were on holiday in Florida. We pray that when they return home they have somewhere safe to live.

We thank you that our country does not experience hurricanes like Matthew.

Help us to remember that there are people all over the world who are suffering from hunger, thirst and lack of shelter. Help us to give to charities who provide aid for these people.

In Jesus name

Amen

Caroline Y5 and Ethan Y4
