

The Big Changes

Dear God,

We pray for the man who was killed in a fight in Barry at the weekend. We pray for his family especially his son who has lost his Dad.

We think about all the families of the policemen who were shot in Dallas.

We pray for the Conservative Party as they think about who should be leader and Prime Minister.

Thank you for the Wales football team who did really well in the Euro.

Thank you for all the support and money raised in the Summer Fair.

We thank you for our school as we come nearer to the holidays. Please keep everyone safe to return in September and look after our friends in year 6 as they go to their new schools. Give us courage to face the changes in our lives.

Amen
