

Refugees

Dear Lord

We hope that everyone is kind to each other, and the police keep the streets safe at night.

Please help the refugees, let everyone have a roof over their heads when it is cold.

Please help people who are ill.

Please let everyone to have food every second of the day.

Amen

Shoe box appeal

Dear God,

Thank you for all the toys, clothes and food we have.

Help us to think about the children who have nothing. Help us to make their Christmas special by donating to the shoe box appeal.

Thank you that we are well, please help those who are ill.

Please help the homeless to keep warm as the weather becomes colder and we pray that they will be able to find a hot meal each day.

Amen

Evan, Lorenzo, Ethan and Sabeel
